

Notice to all attorneys interested in serving on the Sixth Judicial Circuit's Registry of Court Appointed Attorneys (Registry), March 3, 2009.

The Sixth Judicial Circuit will not open the Registry to solicit court appointed attorneys this spring. Chief Judge Robert J. Morris, Jr. has determined that the current Registry is sufficient to handle the expected case load for the next year. Additionally, the Sixth Judicial Circuit continues to be short-staffed due to the State budget crises and must focus on other priorities necessary for the efficient operation of the Circuit. Please feel free to check our website periodically for any changes. Thank you for your interest in serving on the Registry.
