RE: DEPENDENCY AND DELINQUENCY COURT FILES

It has been made known to the Court that the Pinellas Clerk of the Circuit Court inadvertently and prematurely destroyed certain dependency and delinquency court files, including several dependency cases that contained an order terminating parental rights. In order to provide a means to reconstruct the destroyed files if such files are needed, and in accordance with Article I, section 2, Florida Constitution, Rule of Judicial Administration 2.215, and section 43.26, Florida Statutes, it is

ORDERED:

1. The following entities and persons must retain any copies of court records for the cases listed on Attachment A that may be in their possession. The entity or person must retain each record until the Clerk of the Circuit Court notifies the entity or person that the Court needs possession of the record, or until the record may be destroyed or disposed of in accordance with Rule of Judicial Administration 2.430(c). Alternatively, the records may be provided to the Clerk of the Circuit Court for copying so that the Clerk can reconstruct the court file if needed.

State Attorney
Public Defender
Florida Department of Children and Families
Guardian ad Litem Program
Florida Department of Juvenile Justice

2. Notwithstanding paragraph 1 of this Order, the Clerk of the Circuit Court must promptly reconstruct any of the prematurely destroyed court records that involve a termination of parental rights or an adoption.

3. The Clerk of the Circuit Court must provide each attorney associated with a case listed on Attachment A, with notice of this Administrative Order and with a separate list of only the dependency and delinquency case names and numbers with which the attorney is associated. The Pinellas Clerk must provide the written notice to each attorney's email address or business address as soon as practicable and in any event not later than January 14, 2011.

4. The costs for copying of any records are the responsibility of the Clerk of the Circuit Court.

5. This Order does not supersede any Executive Branch retention schedule that may require a longer retention period for the records held by any of the named entities.
