NON-EVIDENTIARY MOTIONS, PRETRIAL MOTIONS:

The court requests that the proponent of the motion submit the following documentation 14 days after filing the notice: the motion, the notice, any response with a cover letter that states if either party is requesting a hearing. This will enable the court to either decide on written submissions or be more fully prepared at the hearing. This preference is for all

Motions to Compel and all Motions Decided on Written Submissions. See ADMINISTRATIVE ORDERS 2020-011 and 2020-012 *even when requesting a hearing*. The Court may set a hearing at the court's discretion.

- **Before** filing a motion to compel or a motion for protective order, counsel for the moving party shall confer with counsel for the opposing party in a good faith effort to resolve by agreement the issues raised, and shall include within the motion, a statement certifying that he or she has so conferred with opposing counsel and that counsel have been unable to resolve the dispute. See Rule 1.202
- Motions to compel discovery shall quote in full each interrogatory, question on deposition, request for admission or request for production to which the motion is addressed and the objection and grounds therefor as stated by the opposing party.
- Any orders uploaded to for consideration by the court **shall** include the date the request was sent, date response was due, date the attorney sent a good faith letter and that there was no response.

No sanctions will be awarded ex parte. (Use form of order provided by the above AO).

AGREED ORDERS:

- It is the Court's preference that proposed orders be uploaded to JAWS (Judicial Automated Workflow System). Once your order is uploaded it will either be reviewed and signed with Judge Polk's electronic signature or rejected with an explanation.
- You must upload an explanatory cover letter and every proposed order must state whether opposing counsel has agreed to the form and content. All documents are to be uploaded as PDF Documents.

- Orders submitted following a hearing should state that fact including the date of the hearing.
- Any orders that have blanks in the body to fill in will be rejected in JAWS.

DO NOT UPLOAD ORDERS CHANGING DATES, CANCELLING DATES OR SCHEDULING DATES WITHOUT FIRST RECEIVING WRITTEN CONFIRMATION FROM THE JUDICIAL ASSISTANT.

Electronically conformed copies will only be provided to the email addresses which have been properly associated to the case in JAWS. It is the responsibility of the party uploading a proposed order to confirm that all email addresses have been added to JAWS. The Clerk and JA **DO NOT** maintain the associated party database.

****If there are any parties without an email service address, it is the responsibility of the party submitting the order to serve those parties via U.S. Mail. The following language should be included on the service list: “Plaintiff/Defendant will serve a conformed copy via U.S. Mail to the following:”**

The Judicial Assistant cannot assist you with JAWS troubleshooting. You may review the webpage:

<http://www.jud6.org/legalcommunity/JAWS/howto.html> or contact the JAWS help desk at 727-453-4357 for assistance.

Any order or judgment which requires a sale date be filled in by the clerk, must be submitted as a hard copy package with sufficient copies and stamped addressed envelopes to the service list.

PROPOSED ORDERS AFTER HEARING:

As provided by the Standards of Professional Courtesy for the Sixth Judicial Circuit [ADMINISTRATIVE ORDER 2015- 052](#) proposed orders shall be submitted to the Judge **with a cover letter** stating whether opposing counsel agrees to the proposed Order – or, that opposing counsel was given the opportunity to object to the proposed Order, but did not. Transmittals of proposed orders should always reference the date of hearing. Any orders that have blanks in the body to fill in will be rejected in JAWS.

DO NOT UPLOAD ORDERS THAT HAVE NOT BEEN AGREED UPON

- If the parties cannot agree on a proposed order they should submit their own orders to the court by email to CrcivE2@jud6.org with a cover letter stating their objections.
- If there is a pro se party, the moving party will be responsible for mailing the order to them.
-

EMERGENCY HEARINGS:

- All Emergency Motions must be filed with the Clerk of Court for determination of emergency status.
- The Court does receive a notification from the Clerk when an Emergency Motion is filed. You may provide our office with a courtesy copy to bring it to the court's attention after filing with the clerk. You can do this by emailing a copy of the motion to the JA with EMERGENCY MOTION in the subject line.
- Opposing counsel/party is to be provided with a copy of the emergency Motion in the same manner as the court.
- The Court will then determine if the matter is deemed an emergency.

CIVIL JURY TRIALS, CIVIL NON-JURY TRIALS AND FORECLOSURE TRIALS

Jury trial dockets are available below. Foreclosure trial dates are available upon request.

You may contact the Court to request a CMC date once the notice (that case is at issue) has been filed. It is the court's preference that a CMC is set to schedule the PTC and Trial dates. At the CMC the court will go over deadlines and other instructions in relation to scheduling the PTC and Trial dates.

- **Motions to Continue Trial.** Absent very good cause, such motions must be signed by the client, as provided by Rule 1.460, and will require a hearing even if stipulated to by counsel.
- **Motions in Limine.** It is the movants responsibility to set any motion in limine with ample time prior to any trial or evidentiary hearing that is affected by the motion in limine. If the movant fails to do so, then the motion will deemed waived/abandoned. Counsel will confer before that hearing so that only items actually in dispute will be put before the Judge. See Rule 1.202.
- **Settlement.** If your case is set for trial and settles, notify the J.A. immediately and also cancel any hearings that may be scheduled. **The mere filing of a settlement documents with the Clerk does not notify the court that a case set for trial has been resolved.**
- **Conduct of Trial Generally.** Counsel will adhere to the Circuit's Standards of Professional Courtesy [ADMINISTRATIVE ORDER 2015-052](#). Examine witnesses from the podium. There will be no speaking objections. That means objections should be three (3) words or less, simply stating the legal ground (e.g. "relevance," "hearsay," etc.) invoked, or if elaboration is necessary, counsel should approach the

bench. All argument is to be directed to the court. Do not argue after the Court rules, and do not “thank” the Court for a ruling after a bench conference in the presence of the jury.

CMC's

- **Case Management order must contain AT LEAST these dates:**

1. service of complaints;
2. service under extensions;
3. adding new parties;
4. completion of fact discovery;
5. completion of expert discovery;
6. filing and service of motions for summary judgment;
7. filing and resolution of all objections to pleadings;
8. filing and resolution of all pretrial motions; and
9. completion of alternative dispute resolution.

- **DEADLINES IN A CASE MANAGEMENT ORDER ARE “STRICTLY ENFORCED UNLESS CHANGED BY COURT ORDER.”**

Parties can submit an agreed order to extend a deadline if changing a date does not affect downstream dates.

If changing one date affects downstream dates, parties can't just move to extend the one deadline. They have to move to amend the case management order.

If parties want to change a “projected trial date” in a CMO, they have to move to amend the case management order. (If it is an “actual” trial date in a CMO, or if a trial order has changed “projected” to “actual,” then they have to move under rule 1.460.)

- **A motion to amend the case management order MUST CONTAIN THESE FOUR THINGS: (see Rule 1.200 and 1.201)**

1. the basis of the need for the extension, including when the basis became known to the movant;
2. whether the motion is opposed;
3. the specific date to which the movant is requesting the deadline or projected trial period be extended, and whether that date is agreed by all parties; and
4. the action and specific dates for the action that will enable the movant to meet the proposed new deadline or projected trial period, including, but not limited to, confirming the specific date any required participants such as third-party witnesses or experts are available.

Rule 1.200 EXPRESSLY SAYS that if lawyers can't meet deadlines, including because there is no court time to hear pending motions, then parties should ask for a case management conference. I am encouraging lawyers to ask for case management conferences when they have trouble getting hearing time so that I am aware of the problem and can: (a) maybe find time; and /or (b) know when the parties need to ask for a continuance that the parties were not being "dilatory"—the delay is (at least in part) due to lack of court resources, which is "good cause" to continue the case.

CMC REQUIREMENTS:

NOTICES:

If noticed by a party, the notice "must identify the specific issues to be addressed during the case management conference AND must also provide a list of all pending motions".

ISSUES TO BE ADDRESSED:

A court can address any issue during the conference that could impact the case. On reasonable notice and if there is adequate time, the court can also require the parties to argue any pending motion on the list EXCEPT motions for summary judgment and anything needing evidentiary hearings. Evidentiary hearings or summary judgment motions may be heard during a case management conference if ALL PARTIES AGREE AND THE COURT HAS APPROVED HEARING IT PRIOR TO THE CMC.

PREPARATION REQUIRED:

PARTIES MUST SHOW UP PREPARED to talk about any motion on the list, to make decisions about the conduct of the case, and have authority to make binding representations on motions, issues and scheduling. Whoever attends the conference must have the calendar for all attorneys in the case and be prepared to schedule for them.

PROPOSED ORDERS:

At the end of a case management conference, the Court will give a deadline for submitting a proposed order re the case management conference. Parties have to submit a proposed order by that date unless they seek and receive an extension. If parties can't agree on the content of the order, they can submit competing orders. The parties have to notify the court of basis for any objections to the other side's proposal at the time the order is submitted. This shall be red-lined and/or comments added in so that it is easy for the Court to see where the disagreements are.

RULE 1.202—CONFERRAL PRIOR TO FILING MOTIONS

DUTY.

Before filing a non-dispositive motion, the movant must confer with the opposing party in a good-faith effort to resolve the issues raised in the motion.

OTHER PRACTICE AND PROCEDURE POINTERS:

- **Deposition Disputes.** The court will hear deposition disputes telephonically immediately if the Judge is available, otherwise as can be scheduled.
- **Attorney's Fees.** The issue of entitlement may be tried in the main action or at a subsequent hearing. Issues regarding the amount of attorney fees may be left for a subsequent hearing. Fee affidavits are sufficient in lieu of expert testimony if all parties agree to their use.
- **Case Law.** Paper copies of case law and other legal authority are welcomed by the court. Pertinent portions shall be highlighted. Copies provided to the court (including any highlighting) shall be provided to opposing counsel before the start of the hearing. A copy of the motion to be heard and any response shall be provided with the case law (highlighted) in an organized fashion via mail or courier to the court prior to the hearing.
- **Motions:** The Court does not receive notification from the clerk when a motion is filed. It is your responsibility to bring it to the Court's attention and set the matter for a hearing.
