

**Sixth Judicial Circuit
Pinellas County Justice Center
Felony Court Appearance Information**

If you have been noticed to appear in court on a felony charge, this will serve to assist you with information you should know prior to your hearing. Due to the COVID-19 pandemic, the court has scheduled a minimal number of hearings for this date and time. This is to assure compliance with Supreme Court and CDC requirements in social distancing and the wearing of face masks for your safety as well as others attending court. Face masks are **REQUIRED** at all times while you are in the courthouse facility.

If you are represented by an attorney, check with them to see if your attendance is required. If you are not yet represented, or choose to represent yourself, you will need to either appear in person or by way of telephone or Zoom conference. For safety concerns, appearance by way of telecommunication or Zoom, is the preferred method of handling your hearing.

If you wish to appear telephonically, please contact the judge's Judicial Assistant for additional information and to make arrangements. Remember, if you choose to appear in person **YOU MUST WEAR A FACE MASK** and do not bring anyone with you as they will not be permitted into the courtroom. Please leave children at home with a responsible third party.

Should you have additional questions, or concerns, please contact the Judicial Assistant assigned to the division referenced on your notice of hearing.
